Matt will be arriving in Australia around mid September & through many emails has expressed how excited he is to be coming to Australia & being a big part of the development of our young team.

New Club coach, Mick Poole commented - I could not be happier as coach with our new signing Matt Rossman. He is a fierce competitor, a natural leader, a great fit for our club.

Special thanks to Mick Poole and Craig Wood in securing the services of Matt & those that will be assisting with Matt's stay in Australia, we are sure we can make his stay one that he will remember & hopefully repeat the process in 2011/12.
